### CAC/DVM S 360 Cassette PCB Revision

CAC and DVM S 360 ceiling cassette's with production date Jan. 01, 2017 and newer, will have a revised PCB (printed circuit board), control case, and wire harness. The separate Main PCB and Power PCB configuration will be combined to one PCB assembly. The model version will be changed to "01" as noted in the below pictures due to this revision.

(Prior to 01/01/2017)

(From 01/01/2017)

Please note model version difference on Model and Serial Number barcode:
